

PROPOSED KELANA JAYA LRT LINE EXTENSION INTO SUBANG JAYA / USJ

ABOUT THE PROPOSED LRT LINE EXTENSION

From Kelana Jaya station, the line will run towards Subang Jaya with the first local stop being at the KTM Komuter station. The LRT line will run along Jalan Jengka through Subang Jaya and Persiaran Kewajipan through USJ. After USJ, the line will head towards Putra Heights. An interchange at the final station in Putra Heights allows a connection to the Ampang line with links to Puchong, Kinrara, KL, etc.

The estimated total distance for the new extension is 17km, with 13 stations, including 7 stations located within Subang Jaya/USJ. (All stations will have facilities such as lifts, escalators and other public amenities, including facilities for the physically disabled.)

Work is expected to begin in 2010 and is targeted for completion and commissioning in 2013.

Details of the proposed LRT route and station details are now on display for public viewing/comments at:
Venue: Lobby, MPSJ Complex in USJ 5, Subang Jaya

YOUR COMMENTS/FEEDBACK

(residents of Subang Jaya/USJ/Bandar Sunway only)

An ad-hoc Action Group comprising community representatives from JKP zones 1 – 3, Subang Jaya Residents Association, USJ Residents Association, Bandar Sunway Residents Association, SJ Alert & Transit has been formed to address various concerns, social and environmental impact issues pertaining to the Proposed LRT line extension into Subang Jaya.

Your feedback/comments will help the ad-hoc Action Group to prepare the necessary submissions and/or new recommendations to the Department of Railways and Syarikat Prasarana Negara Berhad.

(Your comments/feedback must be relevant and based on the proposed route as outlined by Syarikat Prasarana Negara Berhad.)

Are you in favour of the proposed LRT Extension from Kelana Jaya to Putra Heights ?

Yes No

Please rate your concerns from 1 to 5 with 1 being the greatest and 5 the least concern:

- Route Alignment / Areas not served
- Number of Stations / Length of Trip
- Station location(s)
- Available Park & Ride facilities
- Pollution (Noise / Air / visual)
- Additional Services (Feeder bus, Facilities, shops, etc)
- Congestion / Indiscriminate Parking
- Safety / Security
